John Wiley & Sons Inc, United States, 2003. Paperback. Condition: New. Language: English. Brand new Book. "Survival Reading Skills for Secondary Students" is your guide for working with struggling students in grades 5-12 no matter what their reading ability. This valuable resource is a down-to-earth guide that contains countless classroom-tested strategies that reading and content area teachers can use to reinforce skills that students must master to read effectively. In addition, the book offers ready-to-use activity sheets designed to improve competency in a number of relevant reading skills. Students will learn how to fill in a job application, read an airline schedule, apply for a driver's license, and practice many more useful real-life skills. For quick access and easy use, the book is organized in seven sections and printed in a big 8 " X 11" lay-flat format for easy photocopying. The following is just a small sample of the many strategies, assessments, inventories, and activities featured in each section: Informal Reading Assessment Tools for Older Students: includes a Content Reading Inventory, lists of sample words from a range of content areas including English, social studies, science, and mathematics & an informal assessment to determine a student's approximate instructional reading level; and Strategies And Activities For Improving Skills To Identify Content Sight Words: provides reproducible copies of words needed for computer literacy. strategies for improving students' ability to recognize and identify important content and daily-living words. activities that include a reversed crossword puzzle and a magic square from science. It includes: Strategies And Activities For Improving Basic Phonic Skills: contains the basic phonic elements in which older students should be competent. seven helpful phonic generalizations. activity sheets that challenge students to complete a shopping list and discover a secret code; Strategies And Activities For Improving Ability In Word Structure: includes an explanation of...
